

## **Local Partner Development Terms of Reference Consultant Business Coach – Grange Hill**

---

### **1. Background to Local Partner Development**

Local Partner Development (LPD) is a six-year project funded by the United States Agency for International Development and implemented by FHI 360. The project seeks to support the Caribbean Basin Security Initiative framework by collaborating with key actors from government, civil society, academia and private sector to effectively advance youth crime and violence prevention. In this regard, Local Partner Development seeks to improve the capacities of its key partners to design and implement sustainable evidence-based secondary and tertiary youth crime prevention interventions.

In enhancing partners' knowledge and skills in youth crime prevention LPD is coordinating evidence-driven crime and violence prevention strategies in Grange Hill, Westmoreland through the organization of services that treat with at-risk youth, using an Intensive Case Management approach. The Intensive Case Management approach utilizes case management and a comprehensive array of livelihood and psychosocial support services as the keys to reducing the risk of violence.
